#### **Entry/Exit Requirements**

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Flight Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest

- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at [/FIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents](#). The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

### **Entry Requirements (Departing the U.S.)**

- File an [eAPIS](#) manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

#### **Passengers –**

- Valid passport (Your passport should be valid for at least three months beyond the period of stay)
- [Visa](#) (You may enter Poland for up to 90 days for tourist or business purposes without a visa according to the Schengen Agreement)

#### **Pilots – Same as passengers**

*Note:* Other pilot/crewmember requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

#### **Aircraft –**

Poland's regulations and practices related to facilitation are in accordance with ICAO Annex 9. The documents related to Annex 9 are (be prepared to produce any or all of these forms):

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Certificate of Residual Disinsection
- Embarkation / Disembarkation Card

#### **Also**

- Proof of Third Party Liability Insurance

### **Exit Requirements (Departing Poland)**

- Same documents as required for entry (see Aircraft- above)
- Depart from an AOE
- File [eAPIS](#) manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry

## **Additional Flight Information**

### **Aircraft Instruments and Equipment**

U.S. aircraft airworthiness and certification requirements may not meet other countries requirements. It is the responsibility of the pilot to determine if the aircraft meet those requirements.

The items listed below are for pilots' reference to determine if the aircraft meets minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

Commercial air transport aircraft operating within the WARSZAWA FIR must adhere to the provisions of Annex 6 to the Convention on International Civil Aviation - Operation of Aircraft, Vol. 1; International Commercial Air Transport – Chapters 6 and 7.

- The carriage and operation of 8.33 kHz channel spacing radio equipment
- ACAS II for all civil fixed wing turbine engine aircraft having a maximum take-off mass exceeding 5700 kg or a maximum approved passenger seating configuration or more than 19.

ICAO Documents can be purchased from ICAO at: <http://store1.icao.int/>

### **RVSM**

[Domestic and International RVSM](#) guidance is provided on the IFIM Home Page. Click on the **Air Traffic** tab and select **Separation Standards** from the drop down list.

### **Technical Stop / Overflight**

The IFIM staff is not aware of any Technical Stop / Overflight requirements or restrictions. Contact Poland AIS for more detailed information.

### **Non-scheduled Flights (Charters)**

Application for general permission shall be submitted by a foreign air carrier at least 14 working days before the commencement of the carriage.

In case a foreign air carrier intends to perform a single non-scheduled international commercial flight, the application for permission shall be submitted to the President of the Civil Aviation Office at least 3 working days, and in case of the planned performance of more than two flights - at least 7 working days before the planned commencement of the carriage.

Civil Aviation Office  
ul. Marcina Flisa 2  
02-247 Warszawa

Air Transport Department  
Traffic Rights Division

Tel: +48-22-520-7309  
+48-22-520-7320  
+48-22-520-7352  
+48-22-520-7391

Fax: +48-22-520-7353

Email: [trafficrights@ulc.gov.pl](mailto:trafficrights@ulc.gov.pl)

Application for general permission shall be submitted at least 14 working days before the commencement of the carriage.

### **Private Flights**

Private flights do not need prior permission however flights need to be confirmed by the Polish Air Navigation Services Agency by their acceptance of the filed flight plan.

### **Fees**

Users should anticipate varying fees for landing, parking and passenger charges. Refer to free online AIP for details.

### **Fuel**

Jet A1 and AvGas are available at all AOE's however fueling capacities are limited at some airports. Check with the free on-line AIP for further information.

### **VFR**

Unless authorized by ATS authority, VFR flights shall not be operated:

- Above FL 200
- At transonic and supersonic speeds

### **Night VFR**

Within uncontrolled airspace of the WARSZAWA FIR, VFR flights conducted between 30 after sunset and 30 minutes before sunrise shall comply with the following provisions:

- At or below FL950
- Visibility not less than 5km
- Distance from clouds; at or below 900m, AMSL or 300m above the ground or water, whichever is higher, clear of clouds.
- At indicated airspeeds not exceeding 250kt
- Maintain radio communication with ATS
- Flight plan is required

### **Aeronautical Charts**

Aeronautical charts are issued by the Polish Air Navigation Services Agency and can be obtained from:

Polish Air Navigation Services Agency  
Aeronautical Information Service
